

FOG CREST

VINEYARD

Double Gold Medal

2012 San Francisco Chronicle
Wine Competition

At first whiff, the wine displays vibrant notes of cherries, sassafras and spice. The cherry flavors are the first impressions spread across the palate by the wine's acidity. As the wine lingers notes of oak and savory herb serve to enhance the fruit character. As the wine ages expect the aromas to evolve into violets and rose petals with a long silky finish.
